AVAILABLE ACROSS AUSTRALIA

Win It in a Minute - From \$60 pp (min 20 people)

Small teams compete in multiple short games that must be successfully completed in under a minute. Competing in small teams, the objective is to complete each activity successfully in less than one minute. You may have to do anything to complete the game such as successfully stacking four apples on top of each other, or running on the spot like crazy to clock up 500 steps on a pedometer. Teams accrue points throughout the event based on how well they perform at each game. Our staff will bring all of the equipment to your venue or alternatively, let us provide you with some unique venue options.

Santa's Sack - \$98pp (min 20 people)

Teams battle it out in a Christmas themed challenge to earn toys that will be wrapped and donated to charity. Small teams will battle it out in the CBD to complete a bunch of Christmas themed challenges. Teams will earn different toys based on how well they perform, that they will add to their Santa sack that will ultimately be delivered to The Salvation Army in time for Christmas. All toys will be wrapped during the event and donated directly to charity to help families in need this Christmas. Santa's Sack is a fun and engaging team building activity and Christmas party event that also gives back to the community.

Paparazzi – From \$40pp

Paparazzi are feared and revered all over the world. Now it's your chance to compete head-to-head to test your team's paparazzi skills. Armed with a digital camera you'll need to be creative to capture as many photos as possible from the shot list. Each photo opportunity has a different dollar value based on how easy or difficult it is to snap. The shot list includes iconic locations as well as others that require teams to think laterally and get creative. All photos from the day will be supplied after the event while the winning team is awarded their trophy and prize for capturing the most shots during the day.

Race Around the CBD – From \$40pp

Armed with a GPS and well over 100 checkpoints to navigate to, this team building activity is a battle of wit and strategy as teams race each other and the clock. Challenge your workmates in the ultimate battle of wit, strategy and speed with CBD Race. You'll be split into small teams and equipped with a handheld GPS and race booklet with over 100 checkpoints of different scoring value. Teams must navigate to as many checkpoints as possible within the time limit and gather important info to earn points.

Secret Agent Adventure – From \$95pp

Enter the undercover world of Spy Game. Teams receive a sealed dossier containing their mission details and an iPhone to communicate with HQ. Teams will receive their missions from HQ and must complete them as quickly and as accurately as possible. With the city at their disposal, each team must use their wit to solve multiple lateral thinking clues. Each team must only travel by foot or public transport but whatever they do, they must move quickly in order to clear all missions and meet the undercover agent at the final rendezvous. Clues can be found in the daily newspaper, art galleries and museums, parks and statues and on encrypted messages and DVD's.

Unique and personalised events for maximum impact.

CONTACT US FOR A QUOTE: Phone (02) 8755 0000 Email events@redballoon.com.au

Graffiti – From \$95pp

Migrating from the streets and subways of New York to become a thriving culture around the globe, Graffiti or Aerosol Art, is a unique art form requiring creativity and vision. The session is run by renowned Australian graffiti artists who transform complete painting novices into graffiti artists in less than 2 hours. All art is painted on 3m canvasses making them ideal for hanging in your conference room for all to enjoy! Each art group must first develop a concept and vision for their art piece which can include corporate messages and themes.

City Sprint – From \$195pp

Step into an Audi A3 for a team adventure like no other. Unscramble clues and navigate to a series of checkpoints as you search for 'the briefcase'. The group is split into small teams and given the overall briefing and objective: find the briefcase. Teams must first locate their transport, an Audi A3, and then follow clues and markers to a series of checkpoints. Each checkpoint includes a challenge or task that teams must complete before moving on and trying to locate the briefcase. City Sprint is a great experience that requires teams to think and work cohesively.

The Italian Job – From \$250pp

Get behind the wheel of a Mini Cooper and take to the streets in a convoy of these awesome little cars as you set off in search of a series of checkpoints. First up, teams must make their way to 5 iconic locations and snap their team at each location before receiving the address of their next location - a café for a coffee pit stop with a difference! Teams must then jump into the cars to locate the next checkpoint where they will play the traditional Italian game of Bocce. Each team must then make their way to the final rendezvous point. 'The Italian Job' can be run as a competitive team experience or as a high-level reward for staff or clients. Fun, interactive and delicious. Viva Italia!

Cooking Classes (Moroccan or Italian) – From \$152pp

In these engaging cooking classes, we share the best produce, recipes and information to ensure you take away a greater knowledge and passion for Italian or Moroccan cuisine. We split the group into small teams who will each create two dishes from start to finish including preparation, cooking and plating up. You'll learn how to match flavours, shop for produce and some basic cooking skills from our head chef. When the hard work is over, you'll get to sit down to enjoy.

Create Your Own TV Commercial – From \$65pp

This is your chance to get creative and shoot your own TV commercial. Small teams must create a 60-second commercial based around company values or conference themes. To keep it interesting each team will randomly choose a style in which they must create their commercial along with a specific object. Each team receives a box of props, an easy-to-use digital video camera and specific dialogue and items that they must include as part of their commercial. Teams must then plan, shoot and star in their very own ad! The result is a hilarious collection of commercials that are all based around the company values or themes.

Mosaic – From \$1495 for the session

Team Mosaic is an amazing small or large group team exercise where the objective is to complete a giant puzzle within the allocated time period. The puzzle can be made using your company logo, team photo or choose from one of our many designs. We split the group into small teams and start the clock. Teams must race off to locate puzzle pieces in and around the area. Once all pieces have been located, teams must then find the 'Hidden Wall'; a giant puzzle board hidden somewhere in the city. It's then a race against time as teams come together and work as one team to create their image.

Unique and personalised events for maximum impact.

CONTACT US FOR A QUOTE: Phone (02) 8755 0000 Email events@redballoon.com.au

Wine and Cheese Tasting – From \$85pp

Hosted by a food and wine expert, the group is taken on a journey of wine and cheese from around Australia. While the majority of wines come straight from the vineyards, we'll also demonstrate how to pick a great wine from your local bottle shop. We will offer 6 tasting wines and one "mystery wine" to be used for the blind tasting game. The event is a fun and uplifting experience with good humour thrown in to ensure it's a vibrant and memorable for all who attend making it perfect for wine novices and experts alike. Let us come to your venue or we are happy to provide options for suitable locations.

The Amazing Race – From \$89pp

Battle it out against your colleagues in The Amazing Race. You'll have to work smarter and faster to solve clues and complete each checkpoint as you race for the finish. Split into small teams, you must solve various cryptic clues in order to locate a series of checkpoints where one or all of the team must complete a task. Tasks are a mixture of physical challenges and lateral thinking challenges, however all require teams to think outside the square. During the day teams travel on foot and using public transport throughout the day so there is no need to be a super athlete to have fun.

Karate Board Breaking – From \$75pp

Prepare yourself for an amazing experience where you will harness your focus and strength to break a piece of wood with a single kick. This is team building with an edge. Under the watchful eye of Shihan Glenn, a world record holding karate instructor, teams will be shown the correct techniques and skills required to complete the final challenge. The 2-hour session starts with some martial arts training before moving onto striking techniques using defence shields. The final challenge is for each person to break a wooden board with a single kick.

Mixed Martial Arts – From \$149pp

This is your chance to experience one of the most explosive sports under the expert guidance of some of Australia's leading mixed martial arts instructors. Your instructors will lead you through a 20-min warm up before stepping into the ring to learn some basic striking techniques such as punches, knees, elbows and clinches. You'll then head to the ring to focus on the ground game that comprises basic positions, submission techniques and ground-and-pound. No martial arts or boxing training is necessary. The session can be tailored to suit people of all fitness levels.

DLT965 – Host a Murder Mystery Group Event – From \$120

Do you know who the murderer is? Join us for an evening of mystery and intrigue as you try to solve the murder and figure out exactly whodunit! Your team will become involved in a highly entertaining team-building event that is sure to improve communication and foster camaraderie!

DLT967 – Team It's A Knockout Event – From \$8000

Experience a team event like no other – it's big and lots of fun! Based on the 80's TV program, this team building event will see your team compete against each other in hilarious games! Let your team show their skills, talent and luck as they try to score points and become the coveted champions!

Unique and personalised events for maximum impact.
